Hi Colin..

I am about to send an overview report to the local coroner in respect of this investigation.. (covering all 3 investigations since 1998) structure and outcome.. will you require a copy?..

Secondly can you let me know the current position of the 'Baker Report' statistical analysis deaths Gosport War Memorial Hospital..? It had been embargoed by the CMO pending result of criminal investigation (I think). We took a statement from Professor BAKER where he commented that patient WILSON could have left the hospital alive..(or words to that effect) this will no doubt be picked up by the GMC..

Regards..

Dave WILLIAMS

Dear Mr PHIPPS

Just to let you know that I spoke with the CPS attending lawyer Paul CLOSE last Thursday 7th December.. He believes that he may be able to release the result towards the back end of this week..13th /14th Dec (although previous indications have not been achieved due to CPS pressures of work)
 We will be looking to hold a stakeholder meeting asap following the result..
 Are you likely to be available?..

Regards..DW.

Dear Paul Hylton(GMC)/ Clare Strickland(NMC) /Jenifer Smith(SHA) David HORSLEY
 (H.M.Coroner)

Please find attached a family group update letter that I am sending today to relatives of the
 10 remaining cases under investigation.

<<Operation ROCHESTER Family Group Update 28/7/2006.>>

All files have now been forwarded to the CPS and I am meeting with Treasury Counsel next
 week Wednesday the 2nd August to discuss the outcome.

We have also been interviewing (under caution)a consultant Geriatrician Dr Richard Ian
 REID in respect of 2 cases (of the 10 above) the deaths of Edith SPURGIN and Geoffrey
 PACKMAN. The final interview with Dr REID is being held on 8th August 2006.. The police
 investigation into these matters is then essentially complete.

Once the decision in respect of any prosecution is made (in my view not all of these cases
 meet the standard of evidence required to prosecute criminally and the public interest
 hurdle remains to be addressed) then we will need to get together to discuss further
 disclosure to the GMC and NMC.

I spoke with Dr BARTON's legal rep Ian BARKER last week, he confirmed that Dr BARTON
 was still adhering to the voluntary agreement not to prescribe Opiates and
 Benzodiazepines.. She has however now taken a senior practice partner position at her
 surgery..

I will be in touch post 2nd August to discuss the way forward.. It may be appropriate to pull
 all stakeholders together to talk this through including the local Portsmouth Coroner Mr
 David HORSLEY.

Regards..
