Letter to Mr Stewart-Farthing ...

OP ROCHESTER CONSENT FORM.doc

Dear Charles,

No need to apologise about the reply, it's not a problem at all. Regarding the general reaction of the police it would probably not be the right thing for me to reply to in specific terms. However paragraph 5 of Mr Watts's letter (attached) is relevant. You will also see in that letter that Det Supt Williams would be quite happy to see you on your return to England to discuss the investigation.

Regarding the issue of you giving consent for the release of the medical records and other relevant information (relating to Arthur Cunningham) I have been informed that we could accept an e-mail reply as the authority. Perhaps you could reply along the lines of the attached form if that's agreeable?

Have a safe journey.

Regards

Dear [redacted]

Code A

Message received, thank you, and sorry about the slight delay in my reply.

I have been wondering what the general reaction of the Police is after all

the meticulous work they have put in over so long a period? I am certainly

discontented and want to fight the DPP's decision if at all possible, and it would help if I thought it was the popular way forward.

I look forward to hearing from you.

Charles

PS. Please note that I depart from this address on Boxing Day, although my sister (Rhoda) should be able to make contact with me sooner or later if need be.
