Subject: Gosport investigation

Dear [Redacted] Code A

Further to our telephone conversation yesterday. I have checked the electronic files and cannot find any record of correspondence between CHI and Mr Pitthard and Mr Oldroyd. However, I am able to access some brief notes (2 pages) of an interview with both men on 22nd November 2001 that refers to the care and treatment of Nat Gonella.

Perhaps you could advise whether you wish me to find out if I can send you a copy of this or whether you still need to come to London to take a statement for your investigation as discussed.

I look forward to hearing from you in due course

Kind regards
Debbie
