Good morning.

I am an investigator on Operation Rochester at the Major Crime Department, Fareham Hampshire. This is an investigation into suspicious deaths at Gosport War Memorial Hospital in the 1990's.

I am tasked with interviewing all medical staff that have come into contact with patients in whatever capacity and previous hospitals.

To that end I wish to interview Dr Ian Gurney, GMC reference no 4536109 who is shown online as working in Fleet.

I ask that I be provided with the full postal address of the surgery where he is presently employed in order that I may make contact with him.

Thank You
