Further to my telephone conversation of today. I confirm that I wish to know who the Physiotherapist was who compiled a report on the patient Elsie Lavender on 8/2/6. I have looked at the notes and the name may be Elizabeth Thomas.

Likewise the Occupational Therapist has written in the notes on 19/2/96 and signed same as M Scott or at least appearing to begin with those letters. On another page however Mrs Lavender appears to have been referred to a Consultant with initials RHT by a Sgt Fleming.

I do hope that you can make some sense of all this.

Thank you for your continued assistance.
