Subject: OP ROCHESTER... Expert statements..

David..

As discussed following meeting with Counsel..

Please send remaining cases to DR BLACK for review..

As far as Dr WILCOCK is concerned in the light of his latest determination in respect of CUNNINGHAM, I would like him to be handed all of the remaining Category 3's to make an assessment as to whether in his view those patients were at a terminal end stage phase of life.. If that is the case we will secure abridged versions of statements..

This approach should serve to speed the process and allow us to perhaps review general actions in the cases that are terminal..

Thanks.DW.
