Mathew..

Trust you had a good leave.

Point one..I was referring to Category 3A's which you have in fact completed.. Sorry about that..

Point two.. I spoke with Gillian MACKENZIE last Friday Morning at Fareham Police Station informing her that the death of her mother was no longer subject to police investigation following our final expert report.. Her case now lies with the GMC to be heard by the Professional Conduct Committee once a decision has been made around prosecution..(expected November/December 2005).

She had seemed to take the decision pretty well..

May I suggest that you take the stance that this matter is now in the hands of the GMC and her concerns should be addressed to them..

Thanks.DW.

Dave

Two matters

Firstly we spoke some weeks ago about the fact you wanted me to review some more notes. You mentioned that you would be sending them to my office. We have not received anything yet and I wondered what the situation was.

Secondly, I have now received two very long voice messages from Julia McKenzie - expressing her dissent at your process and decision making. I have not actually been around when she called but it is likely our paths will cross before too long - can you let me have your instructions as to how I should deal with her

Many thanks

Matthew
