Nigel..

I have tried to speak with GM without success.

I received a message from her stating that she did not want a visit , just to be notified of the outcome.

I have just left a message on her answerphone to the effect that her case remains a category two and that the expert witness has commented that whilst some of the care may have been sub-optimal death was through natural causes. The papers will be passed to the GMC for their consideration.

I added that you and I would be content to visit and explain in person if so desired.

Could you please inform Leslie LACK first thing Monday morning.

I will be tucked up at BG Monday/Tuesday next week.. I am then on long weekend..catch up with you Monday..

Thanks.DW.
