Mr LOHN..

I appreciate that it has been some time since we last communicated..

Operation ROCHESTER has been progressing at a pace, and completed category 3B investigations are being incrementally submitted to the CPS. Counsel has been instructed to review the evidence.

I anticipate that this phase of the criminal investigation will be completed during November 2005(ish)

I have copied you into my E mail of the 11th October 2004..

We are considering the release of the category 3A cases from criminal investigation, but as previously agreed they will require final quality assurance review by yourself.

Would you like the papers delivered to your office?

Regards..

thank you for the feedback from the meeting. I too thought the discussions were helpful.

I note the order of work to be undertaken and am in contact with Nigel Niven as to the timelines for completion

Best regards

**Mr LOHN**

**May I thank you for your attendance and invaluable contribution during the meeting with the key clinical team during Sunday 10th October 2004.**

**The discussion around the seven category 2 cases highlighted by yourself for further review I thought was helpful, and explained the rationale of the team in reaching their original assessments to the satisfaction of all concerned.**

**I am pleased to note that the following cases had their assessments confirmed as:-**

**Edith AUBREY 2B  
 Henry AUBREY 2B  
 Code C  
 Elizabeth ROGERS 2B  
 Sylvia TILLER 2B.**

**It was agreed that further work in terms of commissioning a Gastroentorologist would be conducted around the case of Geoffrey PACKMAN (2A).**

**Furthermore you will review the medical and family statements around the**

**case of Gladys RICHARDS (2A) upon the basis of the suggestion by Gillian MCKENZIE that the nursing statements do not accord with the standard of care demonstrated in the relevant medical notes. Having done this you will then recommend whether or not there is merit in referring the case back to the KCT to review their grading.**

**You will complete as soon as possible your assessment of the remaining 'BAKER' category 2 cases.**

**You will forward final 'proofed' feedback regarding the remaining Category 2 work having supplied the investigation with drafts of these documents to date.**

**Once the aforementioned is done this will complete your work around the category 2 cases.**

**May I ask that you forward your reports in respect of the Category 2's as soon as possible. We are anxious to discharge these cases to the GMC and NMC expeditiously and of course not least inform the family group members of the police disposal of their case.**

**You will then perform the Q/A process in respect of the 4 category 3A cases, WINDSOR, HOUGHTON, JARMAN and CARTER.**

**As discussed we will arrange for the minutes of the meeting to be forwarded to you asap. Will will simultaneously supply you with the material in respect of the RICHARDS case.**

**Regards.  
David WILLIAMS.  
Det Supt  
OP ROCHESTER.**
