Sir,

Mrs Mackenzie phoned today asking to speak to you. She has just had a thought that she wanted to pass onto you ; In the CHI Report there is a reference to ' no way of knowing about continuing care .....!' When Ian Reed assessed her mother at QA he recommended that she stay at GWMH for 2-4 weeks, he was however aware at the time that there may be difficulties in finding her a placement so he said that if a nursing home could not be found this may be extended to up to 8 weeks. She felt that this may be significant, I think the point that she is making is that either CHI didn't grasp this or they were not told it.
