The prepared statements X403 X404 of Jane Barton need to be typed up so that I can transmit them in electronic form to the experts. The transcript of the interviews don't flow in the same way. Can you arrange for this to be done and then e-mailed to me please.

Secondly I cant find the last prepared statement from Barton 3/3/05 registered as an exhibit. I'll chase Code A up but maybe I just haven't seen it. In future when these prepared statements come in can we put them in for typing please
