Dick,

For the spreadsheet. Re - deceased Stanley CARBY.

Message on answerphone 1317 hrs 3/2/04 from Mrs CARBY asking to be called back. I rang her at 1340 hrs. She wanted to know why it was taking so long to inform her which category her husband fell into. She confirmed that she had received the recent Bulletin and letters from Mr Readhead, Mr Watts and Nigel Niven. I told her that we would be writing to her again soon and I explained that we will notify her and all of the other FGMs simultaneously of the categories as soon as we are in a position to do so.

At 1710 hrs I received a call from Mrs GRANT, daughter of Mrs CARBY. She felt that it is a waste of time the Police writing again to the FGMs regarding methods of notification and is concerned that it is delaying the process of informing them of the final outcome. I explained to Mrs GRANT the importance of ensuring that FGMs are informed of the outcome in the manner of their choice and the importance of giving them the opportunity to change their minds having had time to reflect after Kate's visit. I assured her that this process will not delay the final notification date.

Thanks,

Kate,

For spreadsheet.

Message from Mrs CARBY left on answerphone 1317 hrs today (2/2). I rang her back at 1346. She is concerned about the length of time it has taken to inform her of findings etc. She confirmed that she received latest bulletin with enclosed letters from Mr Readhead, Mr Watts and Nigel Niven. I told her that we would be writing to her again soon but we will not be notifying FGMs of results until we are in a position to notify all Families simultaneously.
