Hi

At 1035 today 28/1/04 I received a phone call from Gillian Mackenzie. She stated that she understands that the Haslar file is now with the Rochester Team along with the file from the Portsmouth Health Trust but still cannot understand why Professor Forest has not seen these files. She still has major concerns about the investigation.

She also raised doubts about what exactly Ann Alexander was doing for her. She stated that she had received a letter from Ann stating that she had had a meeting with DCS Watts and the team and that she would be sending out a bulletin shortly, Mrs Mackenzie stated that she didn't really need to be sent a letter saying there was a bulletin on its way.

Thank you
