15 April 2003

Dear

I am primarily writing to inform you that I am soon taking a period of leave. However, in addition to let you know that our investigation is moving forward much as we had planned and explained at the family group meeting we attended in February.

We have met with our clinical team of experts and they have set about reviewing all the medical records. Another meeting is due to be held with them in the near future. Once that has been done we intend to prepare a bulletin to bring you all up to date on our progress and, where appropriate, provide some explanation as to the processes we are employing. We hope to have this bulletin with you by the end of this month.

We then plan to provide such bulletins, from time to time, to ensure that everybody can more easily be kept up to date with the course of the investigation.

I will be out of the country from 26th April to 8th May 2003. If you require to speak to anyone then please do not hesitate to call on the same mobile number as it will be manned by Detective Sergeant Owen KENNY. If your enquiry is none urgent then please leave a message and I will contact you on my return.

Yours sincerely,

Code A
