Having met with **Code A** today, I am aware of the particular difficulties that there have been on Rochester over the past couple of weeks while I have been swanning around on holiday.

This has been a difficult and sensitive investigation all along, and the temperature is rising.

I am grateful for all that you are doing, working with determination, professionalism and particularly sensitivity for the families in this scenario.

The investigation is going the right way, we will resolve it ethically and completely as possible, so that we can give the families a straight answer to their questions.

Thank you for your efforts & see you hopefully next week regards
SW
