All the previous cuttings relating to this story were sent down to the inquiry team some time ago and there has been little of significance since.

I will look through what we have had in the past couple of months to send down to you.

I'm not sure who is dealing with this from PHQ these days, but whoever it is, one of the officers in the inquiry has asked for copies of all the media coverage we have to date and to be sent any future coverage.

Can whoever is dealing please collate if possible, and send to **Code A** SH.  
 If you need to speak to him, his # is 0 **Code B**

Cheers,
