Chaps,

For the family contact schedule and in/out messages.

At 1040 30/11/02 I returned a telephone call to Mrs Paul Ripley. She explained that she signed the statement made to **Code A** without actually reading it properly. She is very apologetic but would like to have the opportunity to read it

I have said that this is fine but suggested that we just send her a copy which she can keep. I would therefore be most grateful if you could send Mrs Ripley a copy of her manuscript statement.

Should this present a problem please let me know.

Regards

Nigel Niven
