Dear Dave

I attach my summaries for BJC 91-94. Also attached are my notes for the last 2. Anne and I agree grades except for Nat G. She goes for 2C and I go for 2B. I think he is somewhere between the 2 but if you need us to agree I will change to 2C (although it has been 6 months since I last looked at the records). He wasn't one of the worst we looked at but it was poor medical practice. Let me know if you need any further details or records.

Best wishes

Peter
