Cat 1 upgrades to 2

Matthew,

Attached is a document I received from you in February 04 which should assist with item 2 below. Regards, Owen.

Code A

I spoke with Nigel this morning having reviewed the material Code A provided to me on 25 August. For the record, until then, I had not received any expert material relating to the remainder of the non Baker 2's on which I had not reported. I have spent some time now reviewing the material I have been provided with and make the following observations

1. CASES WHERE I AM MISSING MATERIAL WITHOUT WHICH I CANNOT REPORT

Unfortunately, having reviewed the material this weekend, I have only been provided with expert reports from Ann Naismith. I have no material from

Peter Lawson
 Robin Ferner
 Irene Walters

in respect of the following cases

BJC 81 Code A
 BJC 77 Code A
 BJC 58 CORKE, James (ie. review of JR 06 notes - this patient has two different identification numbers)
 Code A
 BJC 82 CRESDEE, Olive
 BJC 78 DONAGHUE, Mary
 BJC 83 HURNELL, Joan
 BJC 39 RAMSEY, Joan (ie. review of JR 05 notes - this patient has two different identification numbers)

2. CASES WHERE I HAVE ALREADY PROVIDED A REPORT

The following cases were reported on under as 1's. I am unsure by which process they have been recategorised as 2's. If this has been done following further consultation with the experts then I have not received the additional material where this change is documented.

BJC 03 ATREE, Lily
 BJC 13 CRESDEE, Ronald
 BJC 27 HOOPER, Albert
 BJC 32 MARTIN, Stanley

3. CASES WHERE THERE ARE IS INSUFFICIENT MATERIAL TO PROVIDE A REPORT

Following the meeting in Northampton, the following cases were deemed to have insufficient material on which to report.

BJC 08A CHIVERS, EDITH

Code A

BJC 52 WILKIE, Alice

Unless further material has been obtained, and expert opinion sought on it, there is nothing further I can do to quality assure these cases.

I believe this covers the outstanding material.

I know we are due to be meeting this week and hope we can sort out the issues surrounding the paperwork then

Regards

Matthew,

Just before I went on leave I received your letter and review documents in respect of 26 of the 57 category 2 cases. During your meeting with Dave Williams and Steve Watts recently you indicated that you haven't got the officer reports in respect of the 31 remaining cases and final reports from the KCT in respect of some of the cases. You should have officer reports in respect of all cat 2 cases apart from the BAKER cases (Attached are lists of reports delivered by Code A on 16th June).

I'm in the process of preparing a package for delivery to you later this week, which will consist of officer reports in respect of the BAKER cases and KCT reports.

Please can you let me know asap which cases you need KCT reports for and if you need any further officer reports.

Regards,

Code A
