Dear Professor Ford

I am writing in confirmation of our telephone conversation of the 31st January concerning your report in respect of patients who died at Gosport War Memorial Hospital.

I can confirm that at this time it is not intended to widen the scope of the police investigation.

I would like to take this opportunity to thank you formally for your comprehensive report which was invaluable to the investigation team. I will confirm to the National Crime Faculty our view on the work commissioned to ensure that they are able to make appropriate referrals to other investigators in the future.

I have today received your e-mail with your invoice attached and will arrange payment as soon as possible.

Finally I would confirm that we will be disclosing your report to other bodies who have a regulatory or investigative responsibility to enable them to discharge their responsibilities.

Thank you once again for your support and advice to the investigation team.

Yours sincerely

J JAMES
Detective Superintendent
