19th February 2003

Dear DI Niven

**OPERATION ROCHESTER – GOSPORT WAR MEMORIAL HOSPITAL**

Thank you for your letter dated 12th February 2003. I can confirm that I am able to attend the meeting over the weekend of the 8th and 9th March 2003.

I believe I will need to have DVD capability installed. However I have got a rewriter installed at present as I archive all my files and would not wish to lose this facility and wondered if I could combine the two. I would very like to attend the training presentation in respect of the use of the DVD records. I **Code A** did tell me the memory that was needed and I would be grateful if he could confirm this again for me.

I also asked if you wished to meet with me prior to the weekend in March, if not I look forward to receiving further details and meeting with you there.

Yours sincerely
