Dear all,

Please find enclosed directions and a timetable for next weekend. Again we are staying in Northampton but this time at a different Marriott Hotel. As you can see from the timetable there is a lot to be covered for both the clinical and investigational teams. Our first meeting now seems like a distant memory given the amount of work that has been done since then. By the time we depart it is hoped we will all have a very real idea of the cases which will require further investigation and where we go from here.

I have enclosed an e map but should you have problems downloading this the directions are as follows;

From the M1 northbound:

Leave the M1 at junction 15 and head towards Northampton * Stay on dual carriageway (divided highway) and follow signs for the Delapre golf complex - Hotel is adjacent to the golf complex three miles from the motorway.

Northampton Marriott 01904 620033

Should you have any questions about next weekend please don't hesitate to contact me. I look forward to seeing you on Saturday morning for what promises to be a full and interesting weekend.

With kind regards
