Ray,

Thanks. I have commitments on both the below days, but will just check when the one on 4/7/00 is likely to finish by ( as it is an AM start ), and let you know. If I cannot make that one I would look to catch up with you separately, when it is convenient.

Thanks

Sir,

Would be very pleased to brief you.

Mrs Mackenzie is awaiting/undergoing hospital treatment at present but I have planned, subject to her health, to go and see her again, at her home in Eastbourne, on Thursday 29/6.

I would be happy to fall in with your plans but may I suggest a couple of existing opportunities for you to join us at the MIR (Fratton) - where Op Rochester is based - for related meetings.

I have a scheduled Team Meeting/Update planned for 0930 hours Wed 28/6/2000 and, at 1400 hours on Tuesday 4th July 2000, I have a Det Ch Supt's Review.

You are very welcome to attend either or, if necessary, we can negotiate another opportunity to suit.

Ray.

Ray,

I hope your leave went well !

I have taken over as IO in the complaint made by Mrs MacKenzie, and I am aware you are leading a related investigation. Before I introduce myself to her, I would like to catch up on progress. Would you be able to call me at work (as below), or on mobile ( Code A )

Many thanks,
