Dear Mr Watts

I write further to our meeting with ~~Emily Yates~~ and her family on 27<sup>th</sup> April 2004. I would be grateful if you could deal with a number of concerns raised at the meeting.

When the medical records we initially provided the family became aware that a number of papers were missing. This information was finally given to Kate Robinson in February 2004 by which time letters regarding the Category in which the case fell into had already been sent. Kate Robinson has been unable/unwilling to confirm whether this information has been sent to medical experts. I would be grateful if you could confirm that this information has been provided and, if so, when this information was sent.

I look forward to hearing from you.

Yours sincerely
