Dear Mr Readhead

RE: Formal complaint against Superintendent John James/Gosport War Memorial

I am writing to advise you that all future correspondence regarding my formal complaint should be directed to my daughter Miss Emily Yeats, whose contact details are as follows:

Miss Emily Yeats

Code A

Tel: **Code A**

As you know, you have already had a significant amount of communication with Emily and she has agreed to deal with all correspondence for the immediate future. Emily has my full support and co-operation in all matters relating to our complaint and will keep me informed of any developments. I would like to make it clear that this is not a withdrawal from my complaint, but due to work commitments and the stress involved in this matter, I feel it best that Emily deals with the day-to-day issues. However, if need to speak to me or if at anytime in the future you need any further information which Emily cannot provide then do not hesitate to contact me.

Please let me know if you require anything further.

Yours sincerely

Code A

Mrs Marilyn Jackson
