Dear Mr Wilson

I am writing further to your recent conversation with Ian Piper. I understand you would like the opportunity to go through your late father's medical records with an independent doctor. I am in the process of trying to arrange this for you. The consultant I have approached is currently on annual leave and I am awaiting his return next week to confirm that he is able to assist.

As soon as I have been able to make progress with this I will contact you again. In the meantime perhaps you would be kind enough to give me an indication of your availability so that I can coordinate a mutually convenient appointment.

With many thanks.

Yours sincerely
