Dear Mr. Wilson

Further to our earlier correspondence, please find enclosed a copy of your father's health record, with regard to Gosport War Memorial Hospital. Please feel free to contact me if you need any entries explained or if you have any questions.

The police still have the original records; they contacted me to say that you had requested that they release the originals to you. I have informed them that this would be inappropriate – only copies can be released to relatives.

Yours sincerely
