Dear **Code A**

Gosport War Memorial Hospital

Thank you for taking the time to see my assistants last week. They are in the course of finalising your statement, which will be sent out to you next Tuesday, by first class post.

When you receive the statement, please feel free to amend it, and return it to us as soon as possible, so that we can decide on a course of action.

I am beginning to go through all the information collated last week, and I will be reviewing all of the material gathered with a view to considering what courses of action are open to the group. At this stage, no course of action has been excluded.

Arrangements are being made for a further meeting for the group in the early evening of Sunday 3rd November with a view to holding a press conference the following morning. We anticipate finalising these arrangements in the course of the next week, and we will let you know exactly where and what time this will take place.

In the meantime, if you have any queries at all, please feel free to ring me or, if I am not available, **Code A** **Code A** on **Code A** or Lisa Elkin **Code A**

Yours sincerely

**ANN ALEXANDER
