Dear Ann

Re: Family Group Bulletin and Accompanying Letter

Please find herewith the above documents for your perusal. You will find the bulletin much the same as the copy Owen sent you but with some minor adjustments. The letter introduces the bulletin and also raises the intention for us to hold a Family Group meeting in the Autumn.

As the letter suggests, this will be held at Netley where Hampshire Police have their training base. Netley is located on Southampton water and is located just off the M27 half way between Whitley and Southampton Airport. I thought it a good idea to mention the meeting now as it will give us all time to make the necessary plans. We are, of course, happy to extend this invitation to yourselves. Perhaps we can speak in due course to discuss your thoughts on the matter.

Please do not hesitate to contact me if you think I can assist you in any way. I can always be contacted on my mobile phone on the number you have.
