Dear Mrs Carby

I understand you asked my colleague **Code A** s at the last public meeting whether the police had obtained your husband's medical records. I have now heard from the police who have confirmed that they do have them in their possession.

I have tried to contact you by telephone to inform you of this, but the number that I have for you is unobtainable. I should be grateful if you would contact me on the above number to let me know your correct number.

If you have any other queries, please do not hesitate to contact me.

Yours sincerely
