Dear Sir

Further to my telephone conversation asking for a copy of my Husband's medical records dating from 13th April 1999 - 26th April 1999 during his stay at Haslar Hospital ward A5 after being admitted for a stroke, I would be very grateful if you could forward these records to myself, and not to be sent to the Gosport War Memorial, or any one else at this time, I have already received the medical notes from the Gosport War Memorial after my Husband was transferred from Haslar for rehab.

I will await your reply,

yours Paul Carby
