Further to the telephone conversation my daughter had with you, asking about my husband's medical notes, please could you send me a copy of his notes during his stay at Haslar Hospital Gosport from the 13th April 1999 to the 26th April 1999 when he was transferred to the Gosport War Memorial. I have sent with this letter a copy of my marriage cert, birth certificate and death certificate and my husband's birth certificate. I hope this will be ok please phone me if you need anything else. Thankyou.
