Dear Mr Watts

Further to our meeting with Mr Chivers on 27th April 2004. I would be grateful if you could deal with the following issue raised at the meeting.

When Mr Chivers received a copy of his fathers medical records he became aware that number of documents were missing from them. He informed Kate Robinson and provided her with a complete copy. I would be grateful if you could confirm that the experts have had access to this missing documentation and not just the records that were obtained by you.

I look forward to hearing from you.

Yours sincerely
