Dear Code A

Thank you letter dated 16 April 2004 regarding the above subject.
your letter you are asking for Issues /Queries that I would like raised with the police at your meeting with them next week.

The Key issue that I would like raised is, when will the investigation regarding my farther will be completed. In my last letter from the police they advised that my farther's case still required further investigation.

Can you please advise a meeting slot with you to give an update regarding the above.

Please note that the address on letters from you is not quite correct. My correct details are as defined below.

Look forward to meeting with you in due course.

Sincerely

Martin Chivers
