Introduction

On 18th March a coroners inquest into the deaths of ten patients at Gosport War Memorial Hospital (GWMH) from 1996 – 1999 will commence.

The inquests are scheduled for six weeks from 18th March 2009 and ten separate verdicts will be delivered at the close of proceedings. The coroner is AM Bradley, HM Assistant Deputy Coroner Portsmouth and South East. The inquests will take place at Portsmouth Combined Court, Winston Churchill Avenue, Portsmouth.

It is likely that there will be media interest in the process. A communications team is in place to liaise with the media. This pack is designed to provide you with some background information and importantly the steps you should take if approached for information by the press and members of the media. If you have any questions please call the communications team on **Code A**

Media Enquiries Information

In event of media enquiry please notify your duty manager who will contact the communications team. The communications team is proactively managing media enquiries around the GWMH inquests and will co-ordinate responses to the media.

Press should identify themselves to you and will have a press badge. They are not permitted to film on NHS premises without prior consent.

Inquest into deaths at Gosport War Memorial Hospital

A coroner's inquest is being held into the deaths of ten patients at Gosport War Memorial Hospital in the late 1990's. The inquests are due to commence on 18th March 2009.

The local NHS has been working closely with HM Coroner over the last few months to ensure that all the relevant information is available to support the Coroner's investigation.

We co-operated fully with the previous four-year police investigation and with an earlier independent review by the Commission for Health Improvement.

Many procedures at Gosport War Memorial Hospital were revised as a result of the earlier enquiries. We are very confident that the hospital provides safe, high quality care to all its patients and will continue to play an important role in local healthcare services for many years to come.

If you have any further enquiries, please contact the Hampshire PCT Communications team on 023 8062 7434.

What is an Inquest?

An inquest is a limited fact-finding inquiry to establish the answers to

- o **who** has died,
- o **when** and **where** the death occurred, and
- o **how** the cause of death arose

An inquest is not a trial. It is an inquiry into the facts surrounding a death. It is not the job of the coroner to blame anyone for the death, as a trial would do, and there are no speeches. However, the Coroner does have the power to investigate the main cause of death and also "any acts or omissions which directly led to the cause of death".

Gosport War Memorial Hospital Inquests

The coroner has ordered inquests into the deaths of ten patients at Gosport Ward Memorial Hospital (GWMH) from 1996 – 1999.

The inquest is concerned with the deaths of people who were in-patients on Dryad and Daedalus wards.
