Fresh Frozen Plasma

Gentamicin Once Daily Administration in Adults

Glucose, Insulin Infusion and Potassium Guideline

Gout Acute Treatment and Long Term Management in Adults

Haematopoietic colony stimulating factor use in oncology and haematology patients

Hyperkalaemia Management in Adults

Hypokalaemia Management in Adults

Hypomagnesaemia Management in Adults Guideline

Hypophosphatemia Management in Adults

Ifosfamide induced encephalopathy management

Iloprost Infusion for Raynauds Syndrome Scleroderma, Severe Peripheral Arterial Occlus Buergers

Infective Endocarditis Treatment

Insulin Storage and Expiry

Intravesical Chemotherapy in Adults – Urology Department

IV to Oral Switch Guideline

Local Anaesthetic Toxicity (Severe) Management

Magnesium sulphate for adult asthmatics admin guidelines

Management of Trauma Patients taking Clopidogrel Requiring Urgent Hip Surgery

Medication History Taking

Medicines used in syringe drivers for palliative care

mesna use with cytotoxic chemotherapy

Metaraminol in the Treatment of Epidural Related Hypotension on SHCU

Metronidazole Compatibility with other IV antibiotics

Monitored Dosage Systems assessment and provision

Mouthcare guidelines for patients undergoing cytotoxic chemotherapy and or radiotherapy

Mucolytic Therapy in COPD Carbocisteine

Naloxone for the treatment of opioid overdose in adults

Neutropenic Sepsis in Adults initial Treatment

Omeprazole IV infusion for Bleeding Ulcers

Osteoporosis secondary prevention in postmenopausal women and prevention of corticosteroid induced osteoporosis

Overactive Bladder Management in Adults

Paracetamol - Management of Acute Overdose

Peri-operative Corticosteroid Supplementation in Adults

Peri-operative Management of Diabetes undergoing Emergency Surgery

Peripheral Intra arterial Thrombolysis using Alteplase TPA

Peripheral Neuropathic Pain Management in Adults

Pharmaceutical Representatives

Pneumonia Community Acquired

Pneumonia Hospital Acquired

Postoperative Nausea and Vomiting - treatment in adults

Potassium Concentrate Solutions for IV Administration, Safe Storage, Prescribing and Dilution
Prevention and Treatment of Cytotoxic Chemotherapy Induced Nausea and Vomiting
Prevention of Sepsis in Asplenic and Hyposplenic Adult Patients
Prophylaxis of DVT and PE during Long Haul Travel
Refeeding Syndrome Guideline
Self-Administration of Medicines
Subcutaneous Fluid Replacement
Talc Pleurodesis in Adults
The Management of Pagets Disease of the Bone
Therapeutic Drug Monitoring guideline
Thromboembolic Disease in Pregnancy Acute Management
Timing of Administration of Drugs in Relation to food and Drink
Unfractionated Heparin Infusion
Urinary Tract Infections Treatment in Hospitals Adults
Vaginal Infections
Vancomycin Intravenous
Venous Thromboembolism and Pulmonary Embolism Prophylaxis for Day Surgery Patient
Venous Thromboembolism and Pulmonary Embolism Prophylaxis for Medical Patients
Venous Thromboembolism and Pulmonary Embolism Prophylaxis for Surgery Patients
Venous Thromboembolism and Pulmonary Embolism Prophylaxis in Orthopaedic Patients
Venous Thromboembolism Prophylaxis in Pregnancy
Warfarin Dosing and Reversal of Excess Anticoagulation
