Hi **Code A**; BP has agreed to direct the inquest - but was a bit miffed with the sub she found it unclear along the lines I mentioned to you the other day.

I still need to set up a meeting about these section 15, we need to tweak the wording.

Cheers

Any news on this one? The coroner is pressing, as he wants to join this with the other inquests in March (if approved, of course). The deceased's daughter also rang me earlier, to see if there was any news.

Thanks.

The attached submission recommends we give a direction that an inquest into Mrs Richards' death should be held.

It has been cleared by: **Code A**
