Thanks, lets try

Friday 29th 13.30- 14.40 (No earlier please, I'm on an overnight Thursday!)  
 Tuesday 3rd 11.00 - 14.00  
 Wednesday 4th 13.00 - 14.00 - only if there is no OATS meeting - check with Paul  
 Friday 6th - All morning and up to 14.00

I met with a few last week on an individual basis, since there is some urgency in sounding them out;

Bob Pennells is supportive of Sultan ward, and would be sad to see it lost to GP admissions - but says that the rest of Gosport GP's are not interested. But ...

Nic Hadjianto is likes using the beds, and would like to continue. He says that his partners feel similarly, but that he will "go with the flow" if the other practices pull out - wants to avoid confrontation etc.

John Anderson - who has pulled out - does not rule out rejoining if the money was right ( a substantial increases no doubt!)

Margaret and I met with the Lloyd practice today. They are very enthusiastic about Sultan ward, wish to continue, and report no problems with admissions from PHT. (They might just be interested in the elderly medicine cover as well)

Margaret and I will meet the Evans practice tomorrow (Tuesday).

In short, I think there is everything to play for, and GP admissions and even step down admissions to Sultan ward do not have to be history!

I think some of the next GPs to meet should be the Coonan practice - who have already resigned from the bed fund, Bassett, and Lacey - plus of course, any others who will give us a slot!
