Yes, can do the meeting and will see you at Fareham Reach. The stats for Petersfield is 12:1 and not 6:1. Sorry!

I've checked the numbers of Consultants to patients - Petersfield is 6:1 (12 beds for ehab and continuing care and 2 Consultant sessions) and in Gosport it's 16.66:1 (50 beds and 3 Consultant sessions). Interesting!

Fiona, I can meet with you tomorrow afternoon or even late morning if that's better at QAH. Can you let me know please.

Thanks.
Althea
