Dear Dr Jordan

Thank you for your letter of the 22nd August 2005, confirming the ending of your contract with Fareham & Gosport PCT.

May I again take this opportunity to thank you all in the Practice for the support that you have given the PCT and its former organisation in the management and care of the in-patients at St Christopher's over so many years. It has been a very successful partnership, which I am sure will be remembered in any future community initiatives.

Yours sincerely

Dear Rosemary

We are writing to you with regards to the ending of our contract with St Christopher's Hospital.

We have enjoyed being able to provide such a quality service for these patients and would hope that in the future if finance dictates, be happy to take this service back.

Unfortunately we feel we can no longer provide the level of service these patients and their families will expect. These patients therefore will need to re register with practices nearer to their homes.

We trust this will be a speedy process with little disruption to the care of these patients.

Yours faithfully
