Dear Fiona

MEDICAL STAFFING

At the end of last week Dr Reid asked me if I would discuss the medical staffing problems with you. I have put together some facts and figures and some suggestions for solutions. I have tried to look at the overall problem but have also included some immediate concerns.

I am aware that Dr Reid's duties will be covered by a full-time locum from the 6 March - 24 March, 2000 and this should help with the Gosport situation.

I hope to talk to you in the next few days, but am away on annual leave from the 1 - 10 March, 2000.

With best wishes.

Yours sincerely
