Fiona,

I have checked with Gary in Payroll, and can confirm that the sessions carried out in Feb 99, Apr and Aug 00 have already been paid via the Payroll System.

The current outstanding sessions equal 15, this will cost approximately £1130. I have therefore accrued for this amount.

In order for the payments to be made, Gary needs notification from Personnel that the jobs are to be re-instated, I am therefore going to email Chris Donohoe concerning this matter.

Amanda.
