Dear Dr Beasley

Your letter to Fiona Cameron has been passed to me and I must apologise for the delay in this reply.

I can confirm our acceptance of your proposal to continue to provide medical cover to the Elderly Medicine beds at Dryad, Daedalus and Sultan until 1st October 2004 at a total cost of £3,968.00 per quarter and thank you for making it.

As you may be aware we are currently considering the use of our Gosport beds to enable us to reprovide the St Christopher's beds, this along with the changes to the way the out of hours services will be provided gives us an opportunity to reconsider how we provide medical cover to these beds in the future. If you would like to be involved in these discussions, please let me know.

Yours sincerely
