Beverly, I only have agreement for the 1 additional clinic at the moment. Can you point Dr Puliyei in the direction of Lesley Humphrey re this 3rd clinic session.

Fiona

Thank you for the proforma you signed for above clinic. I have forwarded it to Tony Jones in the Finance Department to work out the costings for you. Could you clarify if it is to carry on with Dr Puliyei only or with a registrar as well. Dr Lord has told me to arrange it with just Dr Puliyei working and I have just received an Email from Dr Puliyei saying it will be with a registrar, so therefore they will need two rooms, two HCSW's plus two lots of admin support. I have asked Tony to send you costings for both scenarios.

Beverly
