ELDERLY MEDICINE

I am writing to let you know about some changes in the services provided by our department.

OUTPATIENTS

The Gosport PCG has funded an extra weekly outpatient session. This will be run by Dr. Matthew Puliyel, Consultant Geriatrician and will be held on a Monday morning at Gosport War Memorial Hospital and will commence in early November this year. This will help us reduce the long waiting time for new outpatient appointments. My outpatient session on Thursday morning will continue as before.

Referrals - to Outpatients, Gosport War Memorial Hospital.

DOLPHIN DAY HOSPITAL

From early November 2001 Dr. Matthew Puliyel will do a weekly session on a Tuesday morning and replaces Dr. A. Ravindrane.

Referrals - to Dolphin Day Hospital, Gosport War Memorial Hospital.

I would be grateful if this could be shared with all the GPs in your practice.

With best wishes.
