Re: Sultan Ward Bed Fund /Casualty payment - Gosport War Memorial Hospital

As you are aware, the Casualty Service at Gosport ceased on 1st August 2000. However, payments to GPs for this service were not at that time dis-aggregated from the bed fund payments. I am now proposing to correct this oversight and the purpose of this letter is to provide you with notification that the minor injury element of the monthly payment to you will cease as of 1st November 2001.

I believe that this was discussed recently at a meeting of the Gosport GP Group.

Please let me know if you require any further information.

Yours sincerely

Fiona Cameron
