Fiona, hope you had an excellent holiday. I am back from my holiday on 28 August. You may recall that before you went on holiday you had spoken to Ian Reid about the possibility of elderly/intermediate care use of 6 beds on Sultan Ward, as consultant beds. I think you said Lesley Humphreys was going to have a look at this and confirm to you if this change of use/designation of these beds could be done at little/no cost.

Please let me know the outcome when I get back. I have told the LMC (Dr Button) that this possibility is being explored and I will update him by the end of August.

Thanks.
