This is okay Fiona, I have the copy of your standard letter authorising the change of payment from 1 November. When we action same, I will let you have a list of the Doctors we are actioning it against just for a double check that you are happy with it.

Regards, Sarah

I recently sent copies of letters, which went to all the bed fund GP's for GWMH, to payroll to reduce their payments from the 1st Nov to the bed fund payment minus the casualty element. Is that sufficient for your needs or is there anything else you want/need from me?

Many thanks.

FIONA
