Dear Guy

Gosport GP Steering Group

I am writing on behalf of the above group to thank both yourself and Philip for attending yesterday's meeting, which the group felt was extremely useful. The group welcomed the news that meetings between the local GPs and Haslar's clinicians were being planned and would also like to invite you to another of the steering group meetings, which is likely to be early in the New Year.

I hope you found the meeting equally useful and will send you a copy of the notes as soon as they are finished. I would also like to offer my thanks for attending the meeting, as I believe that good relationships between the local GPs and Haslar are essential and that this meeting was a useful step towards that goal.

Yours sincerely

Hugh Janes
Locality Commissioning Manager (Fareham and Gosport)
