Dear Penny

Register of Interests

Following the recent meetings of the Boards of the Fareham and Gosport Primary Care Groups I am writing to update the Register of Interests for each of these Boards.

At the Board meeting it was noted that the Health Authority Chair had suggested that each GP on the Board should declare details of their General Practice partnership as an interest.

Both PCG Boards agreed that I should write and update the Registers for each PCG accordingly. Enclosed is an updated Register for the Fareham PCG and for the Gosport PCG.

Yours sincerely,

Code A

John Kirtley
